

I am your Guru (Richy's Dream)

MUSICAL LIVE YOUR DREAMS * Music/Lyrics by J. SOLIS

1 (frei) Come and be my guest – you are here, so take a rest

In your state of absent mind – you will never find

The answer – of your haunting and painful question

Where do you come from – and why are you here –

what is your Mission and what do you fear?

I can help you - to set your mind free –

but first of all I will make you SEE.

**Ref So just call me YOGI {hey-ho} – this one you get for free {hey-ho}
cause I am your brother {hey ho} – could be your mother {oh no!!}
relative to krishna {hey ho} - would like to kiss ya {oh no!}
I am your GURU {hey, ho} - and so I will tell you {what?}**

2 Some things don't seem as they are- they could be near but they are far

In this state of mind – nobody will ever - the answers find

Ref So just call me YOGI ...

3 So the secret is.... the deepest secret is... the ANSWERS...

ALL THE ANSWERS... are.... ALL IN YOURSELF!!!

Ref So just call me YOGI ...

4 So my son, the time has come

Now it's you, to ask – and I will give you the answer that is – IN YOU!
